Above: The Marion Art Center will again be hosting “Arts in the Park,” a summer outdoor arts festival in Bi-centennial Park across the street from the center, corner of Main and Pleasant Streets, on July 11, from 10:00 am to 4:00 pm.

Above: The Showstoppers community-service vocal troupe participated in the Tri-town Relay for Life on June 12-13 at Old Rochester Regional High School. The team participated in the 18-hour relay, raising more than \$1000 for the American Cancer Society in honor of 3 year-old Braiden Norton who is battling a brain tumor (Pilocytic Astrocytoma). Braiden is currently undergoing experimental treatment that requires 24-hour care as part of an FDA Stage II clinical trial run by the Burzinski Clinic in Houston, Tx. On Friday night, Braiden walked the first lap around the track in the Survivor Lap with his father, Phil Norton by his side.

The Showstoppers-“Friends of Braiden” are planning a benefit on August 7 at the Seaport Inn in Fairhaven with food, live entertainment, raffle and silent auction. All proceeds will be used to defer the costs of Braiden’s care. For more information or to make a donation, contact Kelly at 508-758-4525.

Pictured above are team members: (l-r front) Katelyn Kiernan, Hannah Olson (holding Braiden), Kelsey DeGouveia, Dennis LaRock, and Madelyn Pellegrino, (back) Alicia La Rock, Jillian Zucco, Diana LaRock, Jessie Olivier. The sailor's and their families begin arriving in Marion about a week or so before the race is to start. Many residents of Marion graciously open their homes to house these visitors during their time here, and the local Bed and Breakfasts are utilized as well.

The festivities for this year's race begin on Wednesday, June 17 with the Beverly Yacht Club hosting a Bermudian Welcome dinner and dancing. On Thursday, June 18, the Beverly Yacht Club hosts the Goslings Dark and Stormy Party, which is for the captains and crew. This year, for the first time, the Honorable Ewart F. Brown, Premier of Bermuda, will be attending the festivities on Thursday, and then seeing the boats off on Friday morning.

According to Raymond Cullum, Marketing Chairman for the Marion-Bermuda Race Organizing Committee, there are about 10 significant Ocean races in the World, and the Marion-Bermuda Race is one of them. This race is considered an ISAF category 1, with the only category higher being a race around the World.

Mr. Cullum described his experience racing, as he has been participating in the Marion-Bermuda Race since 1999. "It's a terrific race, and I really like that it's family oriented." He explained that while this is a fun and exciting experience, it is also strenuous. Offshore sailing presents many challenges, and adding the pressure of

racing can tucker out the best of them. The atmosphere before the race begins is one of serious preparation and anticipation, which changes drastically once the sailors have made it to Bermuda, where they can finally relax and reminisce.

This year's race can be tracked online, at www.iboattrack.com. There will be large monitors set up for public viewing at the Royal Hamilton Dinghy Club in Bermuda.

After the race is complete, and all the boats have arrived at their destination, there are activities at the Dinghy Club and the New Flip-Flop Bar and Grill, with entertainment provided for sailors, family and friends. The award ceremony will be held the following Saturday at the Royal Navy Dockyards.

Marion Appoints Joyce Interim Fire Chief

By Paul Lopes

At midnight on June 13, 2009 Thomas Joyce officially retired as Chief of the Wareham Police Department, and one minute later he took the helm as Interim Fire Chief for the town of Marion.

During a special meeting of the Marion Board of Selectmen held on Wednesday, June 10 the board discussed the need to appoint an Interim Chief for the Marion Fire Department. After considerable discussion it was moved by Mr. Blanchette and seconded by Mr. Cushing to appoint Thomas Joyce of Wareham to the position of Interim Fire Chief. The Board stressed the need to appoint a person on an interim basis who has experience both as a firefighter and as an administrator. It was the consensus of the Board that Mr. Joyce best fit that need. Mr. Henry joined his colleagues in support and the appointment was unanimous. Joyce has been with the

Wareham Police Department for 39 years and with the Onset Fire Department for 37 years.

When asked about his retirement from the Wareham Police Department Joyce stated that, "the political issues had started to affect his family and the situation was not very effective for the Police Department or town." He mentioned that he was already a year past maxing out his retirement, so his departure did not impact his retirement plans.

Joyce will be serving as Interim Fire Chief while the Marion Selectmen and Town Administrator put together a plan for hiring the next Fire Chief. When asked if he would apply to fill the position Joyce stated that taking a full time chief's position would negatively impact his retirement funding and that he, "cares deeply about the fire service and hopes to work with the town to best determine the needs for the position."

This past Sunday a meeting was held with the entire fire department to begin the transition. Joyce said the enthusiastic and professional staff that exists impressed him, and he hopes to build on the excellent reputation of

Wareham Man Arrested on Drug Trafficking Charges in Rochester

On Monday, June 1, at approximately 12:30 am, Rochester Police responded to a home in the 100 block of Walnut Plain Road for a suspicious vehicle in the driveway. Sergeant William Chamberlain and Officer Shaun Peterson encountered Manuel Rodriguez, 28, of Lori Lane in Wareham, who said he was looking for a friend but did not know the friend's name.

The officers detected an odor of freshly burnt marijuana and observed an open bottle of beer in the vehicle Rodriguez was operating. Police found Rodriguez to be in possession of less than an ounce of marijuana, but officers also discovered over 28 grams of cocaine in his front pants pocket. The cocaine has an estimated street value of about \$ 1,500.

Rodriguez was arrested and charged with possession of an open container of alcohol in a motor vehicle, trafficking in cocaine, and was issued a civil fine of \$100

said Chief Magee. "It costs at least \$20 or \$30 for people to repair, let alone the post. It most likely is kids late at night driving around with baseball bats hanging out of car windows. It's starting to get warmer out and school will be letting out soon."

Other acts of vandalism include cars being driven onto a lawn, destroying materials on a cranberry bog and keying cars at Old Colony High School. Chief Magee believes that other than the destruction of mailboxes, most of the events have been isolated incidents that have nothing to do with one another. He believes that the keying at Old Colony was a result of two students previously arguing with each other.

Certain streets have been repeatedly targeted. Three of the mailbox issues have been on Snipatuit Road. Walnut Plain Road and High Street have each had two counts as well.

"I can't stress enough the need for people to report these incidents as quickly as possible," said Chief Magee. "If you witness it happening at night, please report it immediately, not the next day. Waiting a day makes it much harder to develop a pattern and to send Officers out to investigate. We want everyone to be safe and events like these not to happen."

A special ceremony was held on Tuesday, June 16, 2009 at the Sippican Healthcare Center in Marion to commemorate the flying of an American flag that was raised at the White House for fifteen minutes on May 8, 2009. The flag was given to Sippican Healthcare Center by the Office of Rep. Barney Frank in New Bedford.

"Today, we are celebrating a very special gift: this American flag," said Mr. Cegelski. "This flag is flown in the honor of the veteran residents of the Sippican Healthcare Center. We would also like to thank the members of the Benjamin D. Cushing VFW Post #2425 here in Marion, who were instrumental in organizing this event with us."

After hearing Marion resident George DeCosta sing "The Star Spangled Banner," Mr. Cegelski said, "I consider myself a very patriotic man and every time I hear our National Anthem played, it brings a tear to my eye. On behalf of the residents and staff, we are honored to accept this gift, which is a symbol of freedom, liberty and justice that our veterans have fought so hard for, so that all of us can enjoy the freedom of living here in the United States of America."

The men who raised the flag were volunteers to the Center who were veterans as well. Demi Barrows served in the Navy SeaBees in the Vietnam War, John Robarge served in the Air Force 5th Tactical Division in the Vietnam War, Gardner McWilliams served in the 245th Tank Battalion in the Korean War, and Leroy Jackson served in the Army in the 707 Ordinance of the 7th Infantry Division. A reception for the residents, staff and volunteers of the Center was held after the flag was raised and an American flag cake was served.

SeaMass paid the town in lieu of taxes for the month of May 2009 \$293,955. Selectman Morse brought forth the motion for the Board of Selectmen to meet every other week as opposed to weekly, which has been the case since Selectman Parker has been elected. Selectman Morse said "I do not see the point in meeting every week for fifteen minutes with very little on the agenda." Selectman Nunes seconded the motion and although Selectman

Parker voted against the change, it passed. The decision for the Board to meet again on a weekly basis will be discussed again at the beginning of the fall.

Selectman Parker put forth the motion for the part-time Town Building Inspector to open his office for a few hours each week to the public. It was not approved by Selectmen Nunes and Morse, due to their arguments that it would not be beneficial due to the town's most likely lack of interest.

At 7:21 pm, the Board of Selectmen took a five-minute Executive Session, as they waited for their 7:30 appointment to arrive. They reconvened at 7:28 pm and appointed Peter Armanetti to the Rochester Finance Committee. The appointing of Mr. Armanetti was put forth by Rochester Town Moderator Woody Hartley. The Finance Committee met with the Board directly after the appointing of Mr. Armanetti and transferred \$21,831 to the Town's Annual Budget of 2009 from other town funds. The state allows this transferring upon the agreement of both the Board and the Finance Committee. This type of transferring was approved at the Annual Town Meeting.

There being no further matters to come before the board, Selectman Nunes adjourned the meeting at 7:47 pm. As the Board will no longer meet on a weekly basis, the next Rochester Board of Selectmen Meeting will take place on Monday, June 29, 2009.

Town Administrator Paul F. Dawson and Assistant Town Administrator Helene Craver. The Board approved the minutes of the May 5, 2009 meeting at 7:02 pm. The alcohol license hearing for The Caz did not take place as scheduled, but will be continued at the Tuesday, July 7 meeting. No representative was present for the Verizon/Nstar pole hearing, which dealt with power lines on Benson Brook Road.

The Board voted to reorganize themselves, appointing Selectman Cushing to the position of Chairman, Selectman Henry to the position of Vice Chairman and Selectman Blanchette to the position of Clerk. Selectman Cushing was also appointed to the position of Music Hall Advisory Committee, Police Station Building Committee, the Clerical Union Liaison and the CMW Landfill Representative. Selectman Henry was appointed to the Plymouth County Advisory Board, the Southeastern Regional Planning and Economic Development District Selectman's Representative and Police Union Liaison. Selectman Blanchette was appointed to the position of Town Parking Clerk, Buzzards Bay Action Committee, DPW Union Liaison and School Committee Liaison.

Fourth of July Fireworks. The Fireworks Committee presented their budget for the upcoming fireworks show, which came to be \$45,110. The amount that the Fireworks Committee had raised was \$37,680. Mr. Collins and Selectman Blanchette agreed that there had been a considerable amount of talk in the town that the fireworks would not happen this year, and that people who normally donate were reluctant to do so, which is why they believed they were short of their goal. Selectman Blanchette stated that for several years, donations are made shortly after the fireworks show for the following year.

Mr. Dawson alerted the Board and both Committees that if any transference of funds did take place, it would be under fiscal year 2010. Lee Vulgaris, a member of the Finance Committee, took the financial burden upon himself by declaring that he would front the monetary difference in order to be sure that the event would take place. Mr. Vulgaris is the owner of the Reliable Trust Company in New Bedford.

Animal Advice

Jay Gould, DVM

LYME DISEASE

My dog gets lots of ticks. Will he get Lyme disease?
 Lyme disease is caused by a bacteria and is transmitted by ticks. Unfortunately, Lyme disease is common in this area.

What signs will my dog show?

The most common sign associated with Lyme disease is lameness, often associated with fever. Many dogs show signs, while others are intermittently lame.

Is Lyme disease preventable or treatable?

Yes to both. Vaccines are available for dogs that are fairly effective in preventing Lyme disease. If your dog gets Lyme disease, it can usually be cured by treatment with antibiotics.

The Division of Marine Fisheries has established that Sippican Inner Harbor is a "No Shellfishing" zone from June 1 – October 31. The Town House will be closed on Friday, July 3. Selectman Henry sent out a personal thank you to the Marion EMS who brought him to Boston. His flu, which he claimed he had not had since the 1970's, had progressed into meningitis and he had a 103.9 degree fever.

While I walked along absorbing all this, I began to talk with God. There was a lot going on in my life at the time. There was a lot I wanted to tell God about and a lot I needed to hear Him say. One thing was uppermost in my mind – to get directions from God that would bring me wherever He knew I should go. I was heavily into my conversation with Him when I slowed my steps to approach an intersection, a point where the bike path crosses a street. Then I saw the green street sign posted by

it. The sign read: "Joanne's Way." It arrested my attention full-force, because my name is JoAnne! I'd walked that same path so many times before, but I'd never noticed that sign until that moment. Seeing it then was instant reassurance that God is always with me, leading me along the path of a life He has created uniquely for me.

Even when we're not feeling God's presence, He is with each one of us everyday. We should allow ourselves to become more alert to His presence in everything around us – even in a street sign. He is there to show us the peace and the joy He has for us: complete peace and complete joy, with nothing missing for our true happiness. He showed me "JoAnne's Way"... He'll show you "Your Way!"

To the Editor:

My name is Christopher Wright and I was the last person in the Class of 2009 to receive my diploma from Old Rochester Regional High School. As the press coverage has indicated, and those who attended the commencement ceremony observed, my actions were rude and disrespectful. Not only did my antics detract from the ceremony, but I also ruined a day that many of the 155 graduates have been looking forward to for the past four years.

Most importantly, I would like to apologize to the Class of 2009. Saturday, June 6 was supposed to be a joyous day, celebrating 155 students who victoriously triumphed over the rigors and demands of high school. Instead of there being 155 students celebrating in unison and getting a last feeling of "class togetherness," I alone made a spectacle out of the ceremony and selfishly made a day that was supposed to be about 154 other students more about myself.

Also, I would like to apologize to the Old Rochester Regional High School administration and faculty. This includes, but is not limited to: Superintendent William Cooper, Principal John Amaral and Assistant Principal Michael Devoll.

Lastly, to those who attended the ceremony, I

Marion Institute Open House

Have you ever wondered what the Marion Institute was all about? Come find out on Thursday, June 18 from 4:00 to 7:00 pm, when the Marion Institute will be opening their doors and grounds to the public for an Open House at their new office at 202 Spring St. in Marion.

At the free Open House, you will be able to meet the staff, check out the renovated building and garden, enjoy food from How On Earth and participate in a hands on workshop based on sustainability. You will also be able to meet several of our Program and Serendipity Project leaders, helping you gain a greater insight into the work of the Marion Institute.

"We are very excited to share our space and the work that we do with the community," said Marion Institute Executive Director Desa Van Laarhoven. "We strive to 'walk our talk' here at the Marion Institute and try to model sustainability as best we can, from composting, to gardening, buying local and used goods, and building green."

Founded in 1993, the Marion Institute is a member-based non-profit that acts as an incubator for a diverse array of programs and projects that delve into the root cause of an issue and seek to create deep and positive change. We work with individuals, schools and communities to inspire change in the areas of health and healing, sustainability, green economics, environmental education,

The Marion Institute introduces innovative models for creating deep and positive change, empowering individuals by connecting them to these programs and projects, thus encouraging effective transformation. We believe that when individuals are offered practical and visionary solutions, they become inspired, realize their potential and will act to restore a healthier balance.

The renovated building that is the Marion Institute's new home is the former Gurney House, built by Freeman F. Gurney between 1855 and 1879, according to *Images of America: Marion*, a book by local historian and retired attorney Judith Westlund Rosbe. The house is described by the Massachusetts Historic Commission archives as "the most full blown example of a Carpenter Gothic residence." Gurney ran a grocery store from the building, which was located diagonally from the former railroad depot, which is now a preschool.

Join the Marion Institute on Thursday, June 18 to explore the renovated Gurney House and their grounds. For more information on the open house or the Marion

Mattapoisett Women's Club

The Mattapoisett Woman's Club holds their annual scholarship fundraiser, "A Taste of the Town," in historic Shipyard Park on beautiful Buzzard's Bay. Mattapoisett's favorite local eateries gather under the big tent to serve up their special gastronomic delights while you dine at tables adorned with unique floral compositions. Please join us as the salty ocean breezes mingle with mouth-watering aromas from SouthCoast's preferred restaurants: Kinsale Inn, Mattapoisett Chowder House & Tavern, The Nest Diner, Nick's Homemade Pizza, Oxford Creamery, Panino's, Rick's Tavern, Seaport Village Ice Cream & Coffee Shop, The Slip, Turk's Seafood, How on Earth, Gail's Goodies and More, On the Go, and Uncle Jon's Coffee. Bandstand music under the gazebo--dance under the stars.

Please purchase tickets at the tent; cost is \$10 for 20 tickets. The number of tickets required per item varies according to each restaurant's offerings. Restaurants listed support the Mattapoisett Woman's Club Scholarship and Ways and Means Fund. Save the date - Tuesday, July 14 from 5:00 to 7:00 p.m. in Mattapoisett's Shipyard Park. This is a rain or shine event.

The Mattapoisett Woman's Club has awarded three scholarships, two of which are for 2009 graduating high school seniors. This year both were selected from Old Rochester Regional High School. "Arts in the Park," a summer outdoor arts festival in Bicentennial Park across the street from the center, corner of Main and Pleasant Streets, on July 11, from 10:00 am to 4:00 pm. "Arts in the Park" is a juried show and sale featuring professionals in their fields. Forty-five artists and artisans will set up displays of their work in a variety of media. There will be ceramics, clothing, jewelry, glass, scrimshaw, accessories, paper, photography, furniture, decorative arts as well as paintings and prints. Carol Lebeaux, silhouette artist, will also be here to create unique heirloom portraits. Each hand-cut silhouette takes about ten minutes. She doesn't mind "squirmers!"

Music will be provided by The Third Shift Jazz Quartet in the morning, and show tunes and other standards by Truman Terrell & Co. in the afternoon. There will be crafts for kids. *A History of the Marion Art Center* by Judy Rosbe will be on sale. Food will be available at Harriett's Catering booth throughout the day, and the Art Center will be open for viewing an exhibition of Paintings by Sharlee Sudduth and Jean Hirons installed in both galleries at the Art Center across the street.

In the spirit of the Marion Art Center's first art show fifty-two years ago, which was held outdoors in a vacant lot on a clothes line, the committee has worked for over a year preparing for this special event. Admission is free and everyone's invited! In the unheard of case of rain, Arts in the Park will be held on July 12.

Nasketucket Bird Club

The Nasketucket Bird Club's next meeting will be held Thursday, June 25 at 7:00 pm at the Mattapoisett Bay Club, an Audubon Signature Golf Course. The public will hear an extraordinary speaker, Wayne Petersen of the Massachusetts Audubon Society. His topic will be "Birding Cuba: Impressions from a Forbidden Paradise."

Because the United States severed relations with Cuba in 1961, American birders have not been allowed to visit Cuba, which is rich in avian diversity. The University of Michigan obtained a permit to allow a small group to participate in bird surveys in Cuba, and Wayne Petersen led Mass Audubon groups to this "forbidden paradise."

In an illustrated presentation, he will share his knowledge, and attendees will learn something about Caribbean avifauna in general, and the many conservation issues facing birds in Cuba. All are welcome to attend. A donation accepted at the door will help defray expenses of the speaker. The Bay Club entrance is located on Route 6 in Mattapoisett, opposite the Mattapoisett Police Station. For more information, call Mike Labossiere at (508) 863-

Deaths

Judith (Underwood) Pond Lt. Com. Ret. of Mattapoisett and Fairhaven, died in Sarasota, Florida on March 4, 2009. All are welcome to attend an informal memorial service for her, followed by a pot-luck meal, on Friday, June 19th, 6:00 p.m. at the Unitarian Memorial Church in Fairhaven.

Judith was born in Brooklyn, grew up in San Francisco, and lived throughout the U.S. in her naval career as a physical therapist.

She married Wally Underwood of Mattapoisett, and moved to this area, living in the "Butterfly House" on Mattapoisett Harbor. She often said that this area is "the best place to live in America, I should know."

Judy's Naval career spanned the the Vietnam War. Working with these wounded would cause her to become profoundly anti-war. Retiring from the Navy as Lieutenant Commander, she began another career with the New Bedford

Public School System from which she would also retire.

Judy was a member and active volunteer, at various times, with The Marion Art Center, League of Women Voters, St Gabriels, New Bedford Port Society, and the Unitarian Memorial Church of Fairhaven.

Judy loved people, reading, cars, and good food served on time. She was a joy.

Olivia C. (Camara) Botelho, 91, of Fairhaven, formerly of New Bedford died Monday June 15, 2009 at the Oaks Nursing Home. She was the wife of the late Edmund F. Botelho.

Born in Fall River, the daughter of the late Amos and Mary (Pedro) Camara, she lived in New Bedford most of her life. Survivors include four children, James Botelho of Florida, Barry Botelho of Dartmouth, Bruce Botelho of Acushnet, and Debra Costa of Mattapoisett; many grandchildren, great-grandchildren and great-great-grandchildren.

She was the mother of the late Brenda Correia.

Private funeral arrangements are by the Saunders-Dwyer Mattapoisett Home for Funerals, 50 County Rd., Route 6, Mattapoisett.

If you have a notice you would like to have included in the Milestone section, please contact our office at : 508 758-9055, by fax at 508-758-4845, or by email at office@wanderer.com. MOVIE REVIEW

Railroaded

By Rob Gonsalves
www.robsmovievault.com

The Taking of Pelham 123. Starring Denzel Washington and John Travolta. Directed by Tony Scott. Running time: 106 minutes. MPAA rating: R.

To watch the original *The Taking of Pelham One Two Three* (1974) and then to watch the new remake is to witness, irrefutably, the decline of mainstream Hollywood filmmaking. Now, the original's director, Joseph Sargent, is no master — he also gave us *Jaws: The Revenge* and *Goldengirl*. But Sargent is a workaday director who can sometimes rise to a good script. On the other hand, Tony Scott, the director of the remake, shows here that he no longer knows what to do with a good script. The premise is pretty much the same, and screenwriter Brian Koppelman works up some sharp, pungent dialogue. Scott, however, stomps all over everything with his restless, headache-inducing Cuisinart style. This director is terrified to lose you for a split-second — either that or he gets bored very easily.

What's funny is that the script introduces backstories for its two antagonists — New York subway dispatcher Walter Garber (Denzel Washington) and a jeering, tattooed hijacker calling himself Ryder (John Travolta) — where there were none in the 1974 film. Schlumpy Walter Matthau was on one side, ice-cold Robert Shaw was on the other, and we knew nothing about them other than what they did and said in the film. Here, we meet Garber's wife and we hear about Ryder's past life as a Wall Street inside trader, among other things; none of it is really *necessary*.

Washington has gone on this ride with Tony Scott once before, in 1995's much superior *Crimson Tide*, wherein he did the same thing he does here — act as a soothing voice of reason in counterpoint to a loudly crazy white man. Where Robert Shaw

was spare and stoic, John Travolta bounces off the walls, dropping F-bombs like pocket change, with a side order of bargain-basement Hannibal Lecter when Ryder pries the truth out of Garber about why he got busted down to dispatcher. Scott and Helgeland have reworked *Pelham* into a battle of wills between two temperamentally opposed men; at certain points Ryder starts to need to hear Garber's voice, bleating for his return to the mic like a baby bawling for milk.

None of this especially matters, though, because the true star of the '74 *Pelham* was New York. And though the remake was likewise filmed on location, you wouldn't know it from the way Scott fractures the footage into tatters. Ryder's cohorts are interchangeable; the great Luis Guzman is one of them, but he never gets anything to play. John Turturro and James Gandolfini, as a hostage negotiator and the mayor respectively, aren't allowed to show much personality; hell, Gandolfini did more with a few minutes of screen time as an affectionately sadistic hit man in Scott's *True Romance*. Tony Scott has always been a hack, but in the past, like Joseph Sargent, he knew enough to chill out and let a good screenplay steer the ship. Not any more. The original *Pelham* went like a shot without sacrificing the wonderfully irate character of the city or the thrills of the story. This one goes 100mph right out of the gate and loses — no, disregards — everything that made the old classic work. I knew it within thirty seconds: the original began with a confidently cool main theme by David Shire, this one kicks off with "99 Problems" by Jay-Z. There you go: the movie tries so hard to be hip it can't possibly be cool.

Rochester Council on Aging

The Rochester Council on Aging was recently notified by the Massachusetts Executive Office of Transportation that it has been selected to receive a Mobility Assistance Program grant from the Executive Office of Transportation and Public Works in the amount of \$39,912, according to Sharon Lally, Director of the Rochester Council on Aging.

The purpose of the grant is to provide eighty percent of the cost of one eight-passenger, single rear wheel Type E vehicle. The Council on Aging and/or the Town of Rochester is expected to fund the remaining cost of the vehicle, or twenty percent, which is approximately \$10,000. The vehicle will be manufactured over the next three months, with delivery expected sometime towards the end of September.

Lally stated that the Council had submitted the grant application two years ago, and was just notified of the results. "It was worth waiting for," she said emphatically. "We are just thrilled with this news. This is intended to be a replacement van for the oldest one of the same kind in our fleet of vehicles. It is fully handicapped accessible with a hydraulic lift. In these current economic times, I expected we'd have to keep our request on our five year capital plan budget for many more years!"

The Rochester Council on Aging provides the only public transportation in the Town of Rochester for the senior and/or the disabled population.

Project GROW Applications

Applications have been sent to age-eligible children for fall enrollment in Old Rochester's Public School Integrated Preschool Program, Project GROW. The mailing was based on the town census and the Early Childhood Office's database. If your child will be three years old by Monday, August 31, 2009 and is not age-eligible for kindergarten, you should have received an application. If you are interested in applying and did not receive an application, please contact the Early Childhood Office at

SALOME'S STARS

ARIES (March 21 to April 19) Things that usually come easily and quickly for the Aries Lamb might need more of your time and attention during the next several days. Try to be patient as you work things out.

TAURUS (April 20 to May 20) A changing situation can create some complications. But if you apply that sensible Bovine mind to what seems to be a hopeless tangle of confusion, you'll soon sort things out.

GEMINI (May 21 to June 20) Creating a new look for your surroundings is fun. Expect to hear mostly positive comments on your efforts, as well as some well-intended suggestions you might want to note.

CANCER (June 21 to July 22) Maybe you'd rather do anything else than what you're "stuck with" right now. But if you stop complaining, you might see how this could lead to something with real potential.

LEO (July 23 to August 22) Even a proud Leo ultimately recovers from hurt feelings. However, a damaged relationship might never heal unless you're willing to spend more time and effort trying to work things out.

VIRGO (August 23 to September 22) There are lots of changes on the horizon, so be prepared to make some adjustments in your usually fine-tuned life. One change might even impact a personal decision you've been putting off.

LIBRA (September 23 to October 22) Being the dependable person you are could work in your favor for a project that requires both skill and accountability. But check this out carefully. There could be a hidden downside.

SCORPIO (October 23 to November 21) A temperamental outburst about a mishandled project causes some fallout. Be sure to couple an apology with an explanation. A new opportunity beckons by week's end.

SAGITTARIUS (November 22 to December 21) Changing horses midstream is usually unwise but sometimes necessary. Examine your options carefully before making a decision. A trusted colleague offers good advice.

CAPRICORN (December 22 to January 19) While much of your time is involved with business matters, fun-time opportunities open up by week's end. Enjoy yourself, but be careful that you don't overspend.

AQUARIUS (January 20 to February 18) A "revelation" opens your eyes to what is really going on in the workplace. What you learn could make a difference in your career path. Continue to be alert for more news.

PISCES (February 19 to March 20) Not wanting to make waves might be the safest way to deal with a difficult situation. But no substantive changes can be made unless you share your assessments with others.

BORN THIS WEEK: You have a way of talking to people that makes them want to listen. You could find a successful career in politics.

The shelter's income has continued to decline over the last six months, making everyday a struggle just to pay utilities and rent in order to keep the shelter's doors open. Shelter President, Chrissy Tomkiewicz, has continued to face a financial battle since opening the shelter ten years ago.

The shelter phone rings all day long - this is the time of year people are finding kittens under porches or in their yards. A Helping Paw will take in the kittens and rehabilitate them so they can be placed for adoption in loving homes, while spaying the moms so they won't breed anymore.

Shelter volunteers are afraid that without the money to rescue and care for these cats and kittens, they will be left out to take their chances, trying to survive on their own. Chrissy goes on to say, "It is a shame that there are so many more cats and kittens out there that need our help, but we have our hands tied, not having the money to help them."

To help these pets, the shelter is in need of any and all donations; monetary donations for medical care are most needed, but the shelter will also accept: canned cat food, clay litter, paper towels, regular bleach, and even antique and small furniture that can be sold at our thrift shop. Contact A Helping Paw, Box 387, Buzzards Bay, MA 02532, or supplies can be dropped off at 3166 Cranberry Highway, East Wareham. For more information please call AHP at (508) 759-2887 or email ahelpingpaw@aol.com or visit ahelpingpaw.org.

opportunities for personal enrichment through community service. Membership is free and open to any library cardholder who is a seasonal or year-round Mattapoisett resident. We assist the library through fundraising and other volunteer efforts.

Volunteers are needed to assist with library programs including story times, crafts, teaching chess, computer skills, sort and stack books for the annual book sale, help with the children's annual lawn games and summer reading program, and promote the use and enjoyment of our beautiful library.

This year, we hope to raise \$600 in order to secure a license to show movies at the library. Although the library has hundreds of DVDs available to patrons, copyright laws require that a library hold the proper license to show movies to the public at large. Tax deductible donations may be sent to: Movie Fund, c/o The Friends of the Mattapoisett Library, P.O. Box 1146, Mattapoisett, MA 02739. Fairhaven Fourth of July Events

The Town of Fairhaven Office of Tourism and the Fairhaven Village Militia invite families, clubs, civic groups and individuals to take part in Fairhaven's Annual American History Costume Parade on the morning of Saturday, July 4, 2009.

Participation in the parade is open to anyone wearing a costume depicting any period of American history from 1620 to modern times or anyone dressed in patriotic style. Military personnel and veterans are invited to march or ride in uniform.

Decorated wagons, baby carriages or floats as well as antique or classic vehicles are welcome and encouraged as well.

The parade will begin on Green Street on the east side of Cushman Park at 9:30 am sharp. Line-up time begins after 8:45 am. The parade consists of a one-mile march, south on Green Street to Fort Phoenix.

At Fort Phoenix, there will be a short ceremony followed by the raising of the flag and the singing of our National Anthem. As the flag reaches the top of the mast, a gun salute will be fired by the Fairhaven Village Militia, who will also fire the fort's five 24-pound Seacoast

Gleason Family YMCA

YMCA Southcoast President and CEO Gary R. Schuyler announced plans to expand the Gleason Family YMCA's gymnasium after receiving a generous charitable commitment. The key donation to jump-start this project came from a \$1 million gift from a long time YMCA supporter.

Additional donations from other YMCA supporters are enabling the YMCA to move forward with this project.

The YMCA's project will expand the current half-sized gymnasium into a full-sized gym, and build a new suspended exercise track to help ease the burden on its four-year old branch located on Charge Pond Road in Wareham. Originally built to accommodate 5,000 members, YMCA board of directors believes that expansion is necessary to maintain high quality member services for its 7,100 members, and continue to meet emerging community needs.

Given the economic recession, the YMCA is committed to only the gymnasium expansion. When additional funds are received the YMCA will move forward with adding an indoor suspended exercise track to complete the project.

Gleason YMCA Executive Director Laura Prisco said, "The expansion plan is relatively simple compared

ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

Coalition for Buzzard's Bay

The Coalition for Buzzards Bay and the Town of Fairhaven have permanently protected 52 acres of forest land comprising a significant portion of the inland watershed to the Nasketucket River, Austin Pond, and downstream Little and Nasketucket Bays.

The land will be owned and managed by the Town of Fairhaven Conservation Commission. A small piece of the land will be held by the Coalition while it works to clear an existing title issue and then it will also be conveyed to the town.

The area, called Nasketucket Woods includes forest, freshwater wetlands, perennial streams, a vernal pool, and protected habitat for rare species, including the Eastern box turtle, in the immediate vicinity of the Nasketucket River. The property links to several other conservation areas, the Mariner Soccer Field complex and

the East Fairhaven elementary school. It will be open to the public for recreational activities, including hiking and bird watching. Trail improvement and maintenance activities are envisioned for the site.

"The town is pleased that this land purchase has finally gone through. It is a significant piece of property that is environmentally sensitive and was vulnerable to development. With assistance from the Community Preservation Committee, the Commonwealth of Massachusetts and town meeting members, Nasketucket Woods is now permanently protected for all residents to enjoy," said Fairhaven Town Planner Bill Roth.

The Coalition helped facilitate the transaction by securing the option to purchase from the landowner and assisting the town with raising the necessary funds. The costs of the project were paid with funds from a state grant through the Local Acquisitions for Natural Diversity (LAND) Program (formerly known as the Self-Help Program), the Fairhaven Community Preservation Committee, a mini-grant from the Buzzards Bay National Estuary Program and a loan from the Coalition's Bay Lands Revolving Fund. A local grassroots group, Friends of Nasketucket, helped with the acquisition by supporting the Town's land application and building support at

Fairhaven Town Meeting.

The protection of natural lands in the watershed is critical to protecting water quality in Buzzards Bay. Healthy forests, wetlands and stream buffers serve a vital function as pollutant filters, absorbing as much as 90% of the nitrogen and other pollution generated by human activities before it reaches the bay. Land conservation also benefits local communities by protecting drinking water, wildlife, aesthetic vistas, open space, rural character, recreational opportunities and the special places that people treasure.

"The town was interested in preserving this area primarily because it is located within a backup drinking water supply area. The Coalition was interested in seeing that it remain as open space because it sits within the watershed that drains into Little Bay, which suffers from nitrogen pollution," said Brendan Annett, Coalition vice president of watershed protection.

The protection of Nasketucket Woods continues. The Coalition for Buzzards Bay's long-term focus on preserving natural lands surrounding Nasketucket Bay. Over the past decade, the Coalition has worked to protect such landmark properties as the Nasketucket Bay State Reservation, Nulands Neck and the Viveiros Dairy Farm.
